

Abinash Mishra

Aspiring Full-Stack Developer

Aspiring Full-Stack Developer seeking an entry-level position to apply my growing skills and knowledge. Currently learning the **MERN stack (MongoDB, Express.js, React, Node.js)** and eager to contribute to a dynamic team. Committed to continuous learning and eager to develop my expertise in full-stack development.

EDUCATION

Master Of Computer Application Chandigarh University

07/2023 - Present

Mohali, Punjab

Courses/Projects

- Full Stack Web Developer
- College Gate Pass Management System
- IoT Early Flood Detection and Avoidance System
- Employee Management System
- MS Excel
- IBM Cognos

Bachelor Of Science (Chemistry Hons.) Utkal University

07/2018 - 08/2022

Bhubaneswar, Odisha

Courses/Projects

- Industrial Chemistry
- Nanocomposite
- Assist in conducting all chemistry lab experiments.
- Equipment organization and maintenance skills.

PERSONAL PROJECTS

College Gate Pass Management System (08/2024 - Present)

- Developed a MERN stack application for managing gate passes in college hostels. Implemented features for day outs and night outs to enhance security and efficiency. Designed the application to support digital transformation in educational institutions.

IoT Early Flood Detection and Avoidance System (08/2024 - Present)

- Conducted research and developed an IoT-based system to detect and avoid flood situations. Integrated sensors with microcontrollers for real-time data collection and analysis.

Employee Management System (02/2024 - 04/2024)

- Created a system using HTML, CSS, and JavaScript to manage employee records. Implemented functionalities for adding, updating, and deleting employee information.

User Dashboard System (04/2024 - 05/2024)

- Developed a dashboard to display user data fetched from a JSON file. Focused on creating an intuitive and responsive user interface.

SKILLS

JavaScript, HTML, CSS, Python

React, Node.js, Express.js

Arduino

Data Visualization

Excel

ACHIEVEMENTS

Best Volunteer Award (07/2018 - 07/2022)

Graduation

Participation in Project Expo – 2023 (10/2023)

UIC, Chandigarh University

Participation in Kanyavrat – 2023 (09/2023)

UIC, Chandigarh University

CERTIFICATES

Coding Round of the HackOn With Amazon - Season 4
(04/2024 - 05/2024)

UNSTOP

JavaScript (01/2024 - 01/2024)

Infosys Springboard

Learning ReactJS (11/2023 - 11/2023)

Infosys Springboard

React Native (01/2024 - 01/2024)

Infosys Springboard

Node.js (11/2023 - 11/2023)

Infosys Springboard

Python 3 Programming (08/2023 - 09/2023)
